

Klassiker

ADVERTISE 2024

A popular magazine and website, our readers really enjoy Klassiker!

Klassiker is a magazine to rely on, a guarantor of quality. We stand for the joy and pleasure of cars and a spirited way to look at classic cars.

Klassiker urges you to use the cars, to drive them and experience things with them.

We drive, we buy and sell, we take care and repair, we fail only to try again to finally succeed. We are at the forefront of our hobby and are always picking up on new currents and niches.

Klassiker is made by professional enthusiasts and we have the most talented writers and most skilled photographers in the industry. It is appreciated by our readers who are constantly increasing in numbers. They read each number very carefully and often save the magazine to be able to return

to it over and over again. All subscribers also have access to all previous issues of Klassiker in digital form through our app.

Our website www.klassiker.nu complements the magazine with movieclips, extra material and a webshop. Since autumn 2022, there is a premium version where the subscriber gets access to exclusive web material and all articles from the printed magazine.

The humor, joy and passion of Klassiker is contagious!
